Exploration High School will accept applications from November 17, 2021 until February 9, 2022. If Exploration High School receives more applications than available spaces, a lottery will be held. Students who submit applications after February 9, 2022 will be automatically admitted in the order applications are received, as long as there are available spaces in the applicable grade. When all spaces in a grade are filled, applications are added to the waiting list in the order they were received.
